HARD-COPY OF A DISPATCH TO THE MASSACHUSETTS DEPARTMENT OF ENERGY
 JULY 12, 2006

SUBMITTED TO: ROBERT SYDNEY, GENERAL COUNSEL
 DIVISION OF ENERGY RESOURCES
 100 CAMBRIDGE ST. SUITE 1020
 BOSTON, MA 02114

DEAR FOUR MEMBER BOARD OF THE MASS DOER,
 I AM SORRY TO SAY THAT I DO NOT KNOW HOW TO ADDRESS ANY OF YOU
 PROPERLY, YOU DID NOT DISPLAY NAME CARDS AT A MEETING I ATTENDED IN
 BOSTON, MA. ON JUNE 28, 2006. I AM ENCLOSING THE STATEMENT/SPEECH
 WITH WHICH I ADDRESSED THE BOARD AND THE OTHER ATTENDEES.
 MY MEMORY SERVES ME WITH THE IMPRESSION, OVER ALL, THAT CBD WASTES,
 SHOULD NOT BE UTILIZED AS FUEL, SPECIFICALLY AS "BIO-MASS" FUEL(S).
 I AM AWARE THAT NEW HAMPSHIRE IS CURRENTLY UNDER A MORATORIUM, AS IT
 PERTAINS TO THIS SUBJECT. ALSO, I WAS IN BURLINGTON, VT. YESTERDAY,
 JULY 11, 2006, FOR THE PURPOSE OF A LITTLE RESEARCH INTO THE
 QUALITY (OR LACK THEREOF) OF LIFE ADJACENT TO THE MCNEIL POWER PLANT.
 I CAN ATTEST TO YOU FIRSTHAND, THAT SERIOUS ISSUES EXIST, AND PERHAPS,
 FOR SOME OF THE RESIDENTS, UNWILLING NEIGHBORS WHO HAVE ALL BUT
 DESPAIRLED OF A "RECOURSE", THEY ARE BOTH SLAVES CAPTIVE(S) TO THIS
 ENTITY. CONCERNs ARE NOT HEARD AND PROBLEMS ARE NOT RESOLVED.
 WHICH BRINGS US TO THE SITUATION FACING THE SMALL HILLTOWN OF
 RUSSELL, MA. I LIVE VERY NEARBY, IN WESTFIELD, MA., IN ONE OF THE
 MAIN "FALL-OUT" AREA(S). THE AIR QUALITY IN THIS GENERAL REGION,
 IS ALREADY AT "F". ANY INCREASE IN EMISSION(S), IN ANY FORM, IS NOT
 ACCEPTABLE, PARTICULARLY THE INCINERATION OF REFUSE.

WESTFIELD, MA 01085

249 CITYVIEW BLVD.
